Special Issue on Ethics Studies

Call for Papers

**Ethics** seeks to resolve questions of human morality by defining concepts such as good and evil, right and wrong, virtue and vice, justice and crime. As a field of intellectual enquiry, it is also related to the fields of moral psychology, descriptive ethics, and value theory, and recognized in three major areas of Meta-ethics, Normative ethics and Applied ethics.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on ethics studies. Potential topics include, but are not limited to:

- Meta-ethics
- Virtue ethics
- Moral values
- Ethics of care
- Bioethics
- Business ethics
- Public service ethics
- Political ethics
- Animal ethics

Authors should read over the journal’s For Authors carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal’s Paper Submission System.

Please kindly notice that the “Special Issue” under your manuscript title is supposed to be specified and the research field “Special Issue – Ethics Studies” should be chosen during your submission.
