Special Issue on Psychotherapy

Call for Papers

Psychotherapy, or talk therapy, is a way to help people with a broad variety of mental illnesses and emotional difficulties. Psychotherapy can help eliminate or control troubling symptoms so a person can function better and can increase well-being and healing.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring psychotherapy. Potential topics include, but are not limited to:

- Psychoanalysis
- Cognitive behavioral therapy
- Dialectical Behavior therapy
- Interpersonal therapy
- Psychodynamic therapy
- Family therapy
- Child psychotherapy
- Psychotherapy and medication
- Cases

Authors should read over the journal’s For Authors carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at Paper Submission System.

Please kindly specify the “Special Issue” under your manuscript title. The research field “Special Issue – Psychotherapy” should be selected during your submission.
