World Journal of AIDS (WJA)

ISSN 2160-8814 (Print) ISSN 2160-8822 (Online)

<http://www.SciRP.org/journal/wja/>

The World Journal of AIDS is an international journal uniquely devoted to HIV/AIDS with an objective to provide the best quality information, research data and education on all aspects of HIV/AIDS that help in better understanding of HIV/AIDS and improve the quality of patient care. The journal aims to foster the exchange of information among all the health care professionals associated with HIV/AIDS. By publishing the most relevant research articles of high quality, within a peer-review process, it aims to provide with most important, relevant and applied research that is helpful to improve patient care.
