Volume 5 Number 6

March 2014

Potentials of Arbuscular Mycorrhiza Fungus in Tolerating Drought in Maize (*Zea mays* L.)

O. J. Olawuyi, A. C. Odebode, B. J. Babalola, E. T. Afolayan, C. P. Onu.....779

Characterization and Utilization of Starches Extracted from Florencia and Waxy Maize Hybrids for Tablet Formulation: Compaction Behaviour and Tablet Properties

A. Szepes, P. Szabó-Révész, J. Bajdik, P. Kása Jr., M. Neményi, R. Pap, A. J. Kovács, K. Pintye-Hódi.....787

Agronomy and Economy: Impact of Tillage and Poultry Manure on Mazie (*Zea mays* L.)

H. M. R. Javeed, M. S. I. Zamir, N. Masood, R. Qamar, M. Shehzad, M. Nadeem.....799

A View of Diel Variation of Maize Odorscape

E. Leppik, T. Tammaru, B. Frérot.....811

Maize Cultivar Specific Parameters for Decision Support System for Agrotechnology Transfer (DSSAT) Application in Tanzania

S. K. Mourice, C. L. Rweyemamu, S. D. Tumbo, N. Amuri.....821

Root Growth, Nutrition and Yield of Maize with Applied Finely Limestone in Surface of Cerrado Soil

R. F. Ratke, H. S. Pereira, J. D. G. Santos-Junior, J. J. Frazão, J. M. Barbosa, B. O. Dias.....834

Combining Ability and Heterosis in Corn Breeding Lines to Forage and Grain

C. G. Guerrero, M. A. G. Robles, J. G. L. Ortega, I. O. Castillo, C. V. Vázquez,
M. G. Carrillo, A. M. Resendez, A. G. Torres.....845

Color of Corn Grains and Carotenoid Profile of Importance for Human Health

S. de Almeida Rios, M. C. D. Paes, W. S. Cardoso, A. Borém, F. F. Teixeira.....857

Agrobacterium-Mediated Transformation of Selected Kenyan Maize (*Zea mays* L.) Genotypes by Introgression of *Nicotiana* Protein Kinase (*npr1*) to Enhance Drought Tolerance

J. V. O. Muoma, O. Ombori.....863

Productivity, Leaf Nutrient Content and Soil Carbon Stocked in Agroforestry and Traditional Management of Maize (*Zea mays* L.)

M. J. A. Bertalot, I. A. Guerrini, E. Mendoza, M. S. V. Pinto.....884
