<http://www.scirp.org/journal/wjcs>

World Journal of Cardiovascular Surgery (WJCS) is an international journal dedicated to the latest advancement of cardiovascular surgery. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of cardiovascular surgery.

Prof. Jian Ye
Dr. Wei Zhou

Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers including but not limited to the following fields:

- Coronary artery bypass surgery
- Elective or emergency surgery
- Heart valve surgery
- Laser surgery
- Minimally invasive surgery
- Robotically assisted heart surgery

We are also interested in: 1) Short reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book reviews—Comments and critiques.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
