Open Journal of Rheumatology and Autoimmune Diseases is a peer reviewed international journal dedicated to the latest advancement of Rheumatology and Autoimmune Diseases. The goal of this journal is to keep a record of the state-of-the-art research and to promote study, research and improvement within its various specialties.

Subject Coverage

All manuscripts submitted to OJRA must be previously unpublished and may not be considered for publication elsewhere at any time during OJRA's review period. Additionally, accepted ones will immediately appear online followed by printed in hard copy. Topics to be covered by this journal include, but are not limited to:

- Gout and pseudogout
- Inflammatory arthritis
- Myositis
- Osteoarthritis
- Osteoporosis
- Polymyalgia rheumatica
- Scleroderma
- Sjogren's syndrome
- Systemic lupus erythematosus (Lupus)
- Vasculitis

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the OJRA.

Notes for Intending Authors

All manuscripts submitted to OJRA must be previously unpublished and may not be considered for publication elsewhere at any time during OJRA's review period. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. Additionally, accepted ones will immediately appear online followed by printed in hard copy. For more details about the submissions, please access the website.
