## Journal of Environmental Protection (JEP)

ISSN: 2152-2197 (Print) ISSN: 2152-2219 (Online)

<https://www.scirp.org/journal/jep>

JEP is an international refereed journal dedicated to the latest advancement of Environmental Protection. The goal of this journal is to keep a record of the state-of-the-art research and promote the research work in these fast moving areas.

### Editors-in-Chief

**Prof. Thangarasu Pandiyan**

National Autonomous University of Mexico (UNAM), Mexico

**Prof. Qingren Wang**

University of Florida, USA

### Subject Coverage

This journal invites original research and review papers that address the following issues in Environmental Protection. Topics of interest include, but are not limited to:

#### ● Air pollution and air quality

Air pollution monitoring and modeling  
Air pollution prevention and control  
Air quality measurement and management  
Sources of air pollution  
Urban/indoor air pollution and control

#### ● Environmental pollution and public health

Chemical pollutants and its effects on health  
Effects of air pollution on public health  
Food and drug safety control  
Global climate changes and human health  
Land pollution and its effects on health

#### ● Ecosystem restoration, toxicology and sustainability

Ecosystem restoration  
Environmental toxicology  
Greenhouse gas emission monitoring and solutions  
Hazardous materials management  
Radiation safety in atomic industry  
Solid waste management  
Sustainable development of environment and ecosystem

#### ● Hydrology and water quality

Ground water pollution control  
Hydrobiology and water pollution  
Methods of monitoring water quality  
Modeling and measuring of water pollution

#### ● Wastewater treatment and utilization

New wastewater treatment technologies  
New water purification technologies  
Purification of drinking-water supplies  
Treatment, disposal and discharge of wastewater

#### ● Environment assessment and policy

Environmental impact assessment  
Environmental policy  
Risk assessment of contaminated environments  
Water resources and quality assessment  
Water resource protection and sustainable use

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the **JEP**.

### Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
