# Advances in Journalism and Communication

ISSN 2328-4927 (Print) ISSN 2328-4935 (Online) www.scirp.org/journal/ajc

Advances in Journalism and Communication (AJC) is an open access journal. The goal of this journal is to provide a platform for scholars and academicians in the field of journalism and communication all over the world to promote, share, and discuss various practices, developments and theories of journalism and communication.

#### **Subject Coverage**

This journal invites original research and review papers that address the following issues. Topics of interest include, but are not limited to:

- Advertisement
- Community Journalism
- Crime and Investigative Journalism
- Culture and Communication
- Current Situation of Journalism and Communication
- Digital Media and Multimedia Application
- Growing Tendency of Journalism and Communication
- History of Journalism and Communication
- History of TV Programming
- International and Comparative Communication
- Journalism Education
- Laws and Policy in Journalism and Communication

- Mass Communication
- Media and Ideology
- Media Campaign
- Media Economics
- Media Politics
- New Broadcast Media
- Photo Journalism
- Professional Ethics in Journalism and Communication
- Research Methodology in Communication
- Social Impact of New Media
- Television Broadcasting Science

We are also interested in: 1) Short reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book reviews—Comments and critiques.

### **Notes for Intending Authors**

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
