Subject Coverage

The journal publishes original papers including but not limited to the following fields:

- Acupuncture and Moxibustion and Tuina of Chinese Medicine
- Basic Discipline of Chinese and Western Integrative Medicine
- Basic Theories of Chinese Medicine
- Chinese Internal Medicine
- Clinical Foundation of Chinese Medicine
- Diagnostics of Chinese Medicine
- Ethno Medicine
- Gynecology of Chinese Medicine
- History and Literature of Chinese Medicine
- Material Base of Chinese Medicine
- Ophthalmology and Otolaryngology of Chinese Medicine
- Orthopedics of Chinese Medicine
- Pediatrics of Chinese Medicine
- Surgery of Chinese Medicine
- Traditional Chinese Medicine
- Yin and Yang

We are also interested in: 1) Short reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book reviews—Comments and critiques.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
