# Open Journal of Pathology

ISSN: 2164-6775 (Print)    ISSN: 2164-6783 (Online)  
<http://www.scirp.org/journal/ojpathology>

Open Journal of Pathology is an international journal dedicated to the latest advancement of pathology. The goal of this journal is to provide a platform for researchers and academics all over the world to promote, share, and discuss various new issues and developments in pathology related problems. All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy.

## Subject Coverage

The journal publishes original papers including but not limited to the following fields:

- Anatomical Pathology
- Clinical Pathology
- Dermatopathology
- Forensic Pathology
- Molecular Pathology
- Oral and Maxillofacial Pathology
- Pathochemistry
- Pathology History
- Pathophysiology
- Plant Pathology
- Psychopathology
- Veterinary Pathology

We are also interested in: 1) Short reports—2 - 5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book reviews—Comments and critiques.

## Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
