

Table of Contents

Volume 3 Number 4

July 2015

Preparation and Characterization of ZnSe/EVA Nanocomposites for Photovoltaic Modules

J. Sebastian, E. T. Thachil, J. J. Mathen, A. J. Edakkara, N. Kuriakose, G. P. Joseph, J. Sebastian.....215

Evaluation and Optimization of Tensile Strength Responses of Coir Fibres Reinforced Polyester Matrix Composites (CFRP) Using Taguchi Robust Design

U. C. Okonkwo, C. E. Chukwunyelu, B. U. Oweziem, A. Ekuase.....225

Mechanical Properties and Dimensional Stability of Rigid PVC Foam Composites Filled with High Aspect Ratio Phlogopite Mica

M. M. Jamel, P. Khoshnoud, S. Gunashekar, N. Abu-Zahra.....237

Study on Natural Minerals Applying in Developing New Health Textiles

X. H. Shen, X. J. Wu, H. L. Wei, W. P. Du.....248

Analysis on Multi Responses in Face Milling of Ammc Using Fuzzy-Taguchi Method

M. S. Sukumar, B. V. S. Reddy, P. Venkataramaiah.....255

The Effect of Added Carbon Black to Concrete Mix on Corrosion of Steel in Concrete

S. Masadeh.....271

Characterization and Modification of a Clay Mineral Used in Adsorption Tests

N. C. Dias, P. A. Steiner, M. C. B. Braga.....277

Experimental Investigations on Electroless Deposition of Copper on Basalt Fibers

S. Ezhil Vannan.....289

Optimization of Gas Metal Arc Welding Process Parameters Using Standard Deviation (SDV) and Multi-Objective Optimization on the Basis of Ratio Analysis (MOORA)

J. Achebo, W. E. Odinikuku.....298

The Effects of Firing Temperatures on the Performance of Insulating Firebricks Containing Different Proportions of Alumina and Sawdust

D. O. Folorunso, F. O. Aramide, P. Olubambi, J. O. Borode.....309

Microstructure and Corrosion Properties of the Plasma-MIG Welded AA5754 Automotive Alloy

A. Abouarkoub, G. E. Thompson, X. Zhou, G. Scamans.....318

Identification of Optimum Composition and Mechanical Properties of Al-Ni Metal Matrix Composite

M. K. Pal, S. S. Sandhu, R. Kalia, A. Ghosh.....326

**Characterization of the Thermo-Microstructural Analysis of
Raffia Palm Fibers Proposed for Roofing Sheet Production**

R. S. Odera, O. D. Onukwuli, C. U. Atuanya.....335

**Tensile Properties and Fractographic Analysis of Low Density Polyethylene
Composites Reinforced with Chemically Modified Keratin-Based Biofibres**

I. O. Oladele, J. L. Olajide, O. G. Agbabiaka, O. O. Akinwumi.....344
