Special Issue on Clinical and Counseling Sociology

Call for Papers

Clinical and Counseling Sociology is the application of sociological theories, research/methods, and interventions to social issues and problems. It seeks to improve the quality of people’s lives. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of Clinical and Counseling Sociology.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring Clinical and Counseling Sociology. Potential topics include, but are not limited to:

- Religion
- Deviance
- Culture
- Politics
- Economics
- Psychotherapy
- Sociotherapy
- Sociology of education
- Mental health counseling
- Rehabilitation counseling
- Sociological theory
- Correctional counseling

Authors should read over the journal’s For Authors carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal’s Paper Submission System.

Please kindly specify the “Special Issue” under your manuscript title. The research field “Special Issue - Clinical and Counseling Sociology” should be selected during your submission.
