Results of publication (only one response allowed):

- are still valid.
 were found to be overall invalid.

Author's conduct (only one response allowed):

- honest error
 academic misconduct
 none (not applicable in this case – e.g. in case of editorial reasons)

* Also called duplicate or repetitive publication. Definition: "Publishing or attempting to publish substantially the same work more than once."

Comment:

This article has been retracted to straighten the academic record. In making this decision the Editorial Board follows [COPE's Retraction Guidelines](#). Aim is to promote the circulation of scientific research by offering an ideal research publication platform with high standard. The Editorial Board would like to extend its sincere apologies for any inconvenience this retraction may have caused.

Editor guiding this retraction: Prof. Zhihua Zhang
(Editors-in-Chief of AJCC)
