

## Special Issue on International Business and Management

### Call for Papers

International business refers to any commerce and transaction that takes place across international borders. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of International Business and Management.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **International Business and Management**. Potential topics include, but are not limited to:

- Corporate governance
- Exporting and importing
- Foreign investment
- Foreign market
- Global purchasing and logistics
- Global trade, sales and marketing
- International banking
- International financial management
- International travel and communications
- Business in other countries

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - International Business and Management**” should be selected during your submission.
