

Special Issue on Business, Finance and Investment

Call for Papers

Financial investment means putting aside a fixed amount of money and expecting some kind of gain out of it within a stipulated time frame. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of Business, Finance and Investment.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Business, Finance and Investment**. Potential topics include, but are not limited to:

- Business administration
- Financial management
- Investment strategies
- Financial planning
- Corporate finance
- Financial markets
- Stock market
- Portfolio management
- Capital budgeting
- Financial analysis
- Financial accounting
- Business strategy
- Investment banking
- Mergers and acquisitions
- Business valuation
- Financial derivatives
- Financial forecasting
- Debt markets and development
- Financial investment and risk management
- Financial planning and control
- Financial ratio analysis
- Investment strategy and technical analysis
- Investment valuation: tools and techniques
- Portfolio investment and economic growth
- Private equity and infrastructure investment

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Industrial Economics and Sustainable Development**” should be selected during your submission.
