Many Kinds of Reserved Judgement in No-Data Problem

- | | |
|------------------|---|
| H. Hori Jr. | 1 |
|------------------|---|

A Set of Almost Automorphic Functions and Applications

- | | |
|-------------------------------|---|
| W. Dimbour, V. Valmorin | 9 |
|-------------------------------|---|

Characteristics of Multi-Objective Linear Programming Problem and Multi-Objective Linear Fractional Programming Problem Taking Maximum Value of Multi-Objective Functions

- | | |
|---|----|
| S. Nahar, Md. Asadujjaman, K. Begum, Mahede-Ul-Hassan, Md. A. Alim..... | 22 |
|---|----|

Nullors, and Nullor Circuits; Their Applications in Symbolic Circuit Analysis and Design

- | | |
|-------------------|----|
| R. Hashemian..... | 33 |
|-------------------|----|

Report for Type 2 Bayes-Fuzzy Estimation in No-Data Problem

- | | |
|--|----|
| H. Hori Jr., K. Takemura, Y. Matsumoto | 46 |
|--|----|

Composition Analysis and Identification of Ancient Glass Products Based on L1 Regularization Logistic Regression

- | | |
|--------------------------------------|----|
| Y. Q. Zhou, X. Y. Xu, W. J. Ma | 51 |
|--------------------------------------|----|

Nonlinear Violence in Nonlinear Oscillations at High Energy

- | | |
|----------------|----|
| Y. Zarmi | 65 |
|----------------|----|

A PID Tuning Approach for Inertial Systems Performance Optimization

- | | |
|-------------------|----|
| I. Cojuhari | 96 |
|-------------------|----|

Finite Deformation, Finite Strain Nonlinear Dynamics and Dynamic Bifurcation in TVE Solids with Rheology

- | | |
|------------------------------------|-----|
| K. S. Surana, S. S. C. Mathi | 108 |
|------------------------------------|-----|
