

Special Issue on Assessment & Evaluation in Education

Call for Papers

Educational assessment and evaluation includes all forms of educational evaluation, testing, grading and examination. It also encompasses educational program evaluation, and the assessment and evaluation of teachers, schools, and other educational organizations.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Assessment & Evaluation in Education**. Potential topics include, but are not limited to:

- Evaluation in teaching and learning
- Teacher evaluation
- School and system evaluation
- Assessment and competencies development
- Classroom evaluation and practice
- Students assessment and learning strategy
- Assessment & evaluation in higher education
- Assessing methods and effectiveness
- Performance emulation and improvement
- Curriculum evaluation and development
- Assessment and feedback
- Assessment for medical education

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Assessment & Evaluation in Education**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	June 21st, 2021
Publication Date	August 2021
