

Special Issue on Urban Management and Governance

Call for Papers

Urban Management and Governance focuses on the analyzing issues of modern city management as well as questions of urban governance in an international context. It often involves the economical, legal, political, technological, demographic and cultural spheres. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of Urban Management and Governance.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Urban Management and Governance**. Potential topics include, but are not limited to:

- Entrepreneurial cities
- Governance of urban transitions
- Land and housing
- Local government finance
- Municipal finance, accounts and revenues
- Sustainable urban planning
- Urban and metropolitan planning
- Urban competitiveness
- Urban infrastructures
- Urban land, housing and risk management
- Urban theory and practice
- Disaster recovery and reconstruction

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Urban Management and Governance**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	August 25th, 2022
Publication Date	October 2022
