

Special Issue on Urban Planning and Development

Call for Papers

Urban Planning and Development covers infrastructure for education, health, justice, solid waste, markets, street pavements and cultural heritage protection. It draws upon engineering, architectural, and social and political concerns. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of Urban Planning and Development.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Urban Planning and Development**. Potential topics include, but are not limited to:

- Urban changes
- Urban disaster prevention
- Urban environment
- Urban infrastructure
- Urban mobility
- Urban policies and planning
- Urban renewal
- Urban solutions
- Construction policy
- Sustainable cities
- Economics
- Heritage
- District plans
- Facility plans
- Capital facilities and infrastructures
- Policy coordination and investment choices

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Urban Planning and Development**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	November 29th, 2023
Publication Date	January 2024
