

Special Issue on Health Policy and Management

Call for Papers

Health Policy and Management involves the study and application of policies, strategies, and organizational structures that impact healthcare delivery and public health. This academic field explores the intersection of healthcare, politics, and administration, aiming to improve health systems, enhance healthcare quality, and address health disparities. It encompasses a range of topics such as health policy analysis, healthcare financing, program evaluation, and strategic planning to optimize the effectiveness and efficiency of healthcare services.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Health Policy and Management**. Potential topics include, but are not limited to:

- Health policy analysis, impact and effectiveness.
- Healthcare financing: methods and systems
- Health leadership and policy
- Health economics: healthcare delivery, costs, and resource allocation.
- Assessing of health programs and interventions.
- Healthcare quality management
- Strategic planning and strategies in healthcare:
- Global health policy and challenges.
- Public health administration
- Health informatics, healthcare systems improvement and decision-making.
- Health equity, disparities, and ethics
- COVID-19 and health policy
- Tobacco control
- Vaccination policy
- Emergency preparedness and response
- Pharmaceutical policy and management
- Integrated care and chronic disease management
- Mental health policy and management

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Health Policy and Management**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	April 12th, 2024
Publication Date	June 2024
