Dr. Lorena Skufic  University of Zagreb, Croatia
Prof. Nenad Stefanovic  University of Kragujevac, Serbia
Prof. Qinghua Xia  Wuhan University, China
Dr. Xiujuan Zhao  Beijing University of Posts and Telecommunications, China
Dr. Qingyu Zhang  Arkansas State University, USA

Subject Coverage

This journal invites original research and review papers that address the following issues in business and information. Topics of interest include, but are not limited to:

- Data Mining
- Decision Making Process
- E-Commerce
- E-Government
- Financial Analysis
- Geographic Information System
- Information Management
- Information Security
- Investment Analysis
- Knowledge Management
- Process Improvement
- Requirement Analysis
- Risk Management
- Supply Chain Management
- System Analysis
- Technology Innovation

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the IB.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
