DISCLAIMER OF LIABILITY

Statements and opinions expressed in the articles and communications are those of the individual contributors and not the statements and opinion of Scientific Research Publishing, Inc. We assume no responsibility or liability for any damage or injury to persons or property arising out of the use of any materials, instructions, methods or ideas contained herein. We expressly disclaim any implied warranties of merchantability or fitness for a particular purpose. If expert assistance is required, the services of a competent professional person should be sought.

PRODUCTION INFORMATION

For manuscripts that have been accepted for publication, please contact:
E-mail: jcdsa@scirp.org
Journal of Cosmetics, Dermatological Sciences and Applications is an open-access, peer-reviewed journal describing scientific and technological advances that cover the basic sciences, engineering aspects and applied technology of cosmetics, toiletries, perfumery and related field as well as areas.

Editor-in-Chief
Dr. Bouzid Menaa Fluorotronics, Inc., USA

Subject Coverage
The journal publishes original papers including but not limited to the following fields:

• Acne treatment
• Aesthetic treatments
• Analytical chemistry
• Cosmetic chemistry
• Dentistry
• Dermatology
• Dermatopathology
• Food, nutrition and anti-aging
• Hair conservation and restoration
• Human safety testing of skin, hair and oral products
• Laser treatment

• Olfactive research
• Photodamage and photoprotection, dermopharmacy, new developments in olfactive research
• Physical chemistry
• Plastic surgery
• Rejuvenation
• Skin physiology
• Societal issues
• Technology of emulsion and dispersed systems
• Theory and application of new materials and molecules
• Transdermal drug delivery systems

We are also interested in: 1) Short reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book reviews—Comments and critiques.

Notes for Intending Authors
Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
