

## Table of Contents

**Volume 10 Number 5**

**May 2019**

**Planting Values for Saving Groundwater through Family Education**

- |               |     |
|---------------|-----|
| A. Husin..... | 595 |
|---------------|-----|

**Study of the Copper, Chromium, Manganese and Zinc Contents in the Species *Azorella spinosa* (Apiaceae), Collected in the Maule Region, Chile**

- |  |     |
|--|-----|
| J. Tapia, J. Cornejo, M. Gutiérrez, P. Peñailillo, R. Baettig, L. Vargas-Chacoff, J. Espinoza, A. S. Martín..... | 601 |
|--|-----|

**Analysis of Factors Instigating Land Use Conflicts in Selected Forest Reserves of Ondo State, Nigeria**

- |                               |     |
|-------------------------------|-----|
| I. O. Azeez, O. J. Aluko..... | 614 |
|-------------------------------|-----|

**Preliminary Studies on the Microbial Degradation of Plastic Waste Using *Aspergillus niger* and *Pseudomonas* sp.**

- |  |     |
|--|-----|
| A. O. Ogunbayo, O. O. Olanipekun, I. A. Adamu..... | 625 |
|--|-----|

**A Comparison of Batch, Column and Heap Leaching Efficiencies for the Recovery of Heavy Metals from Artificially Contaminated Simulated Soil**

- |   |     |
|---|-----|
| L. U. Mgbeahuruike, J. Barrett, H. J. Potgieter, L. van Dyk, S. S. Potgieter-Vermaak..... | 632 |
|---|-----|

**Washing and Extraction of Metals from Contaminated Soil Constituents: Implications for Contaminated Simulated Soil and Metallurgical Wastes with Different Reagents**

- |   |     |
|---|-----|
| S. S. Potgieter-Vermaak, L. U. Mgbeahuruike, L. van Dyk, J. Barrett, H. J. Potgieter..... | 651 |
|---|-----|

**Assessing the Effects of Land-Use and Land Cover Change and Topography on Soil Fertility in Melka Wakena Catchment of Sub-Upper Wabe-Shebelle Watershed, South Eastern Ethiopia**

- |                                     |     |
|-------------------------------------|-----|
| H. Hayicho, M. Alemu, H. Kedir..... | 672 |
|-------------------------------------|-----|

**A Proposed New Laboratory Protocol for Dispersant Effectiveness Testing Adapted for Subsea Dispersant Injection**

- |   |     |
|---|-----|
| P. J. Brandvik, P. S. Daling, D. Dunnebier, P. E. Makatounis, F. Leirvik, D. F. Krause..... | 694 |
|---|-----|
