Special Issue on Banking and Finance

Call for Papers

The past few decades have witnessed increasing globalisation of financial markets and banking. Meanwhile, deregulation and technological advances have enabled banks to rapidly broaden the scope of their operations and have made them the central to the financial architecture of all societies.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring Banking and Finance. Potential topics include, but are not limited to:

- Alternative investments
- Asset and liability management
- Bank solvency
- Banking efficiency
- Banking regulation
- Credit crisis
- Financial intermediation
- Financial markets
- Money and banking
- Risk management

Authors should read over the journal’s For Authors carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal’s Paper Submission System.

Please kindly specify the “Special Issue” under your manuscript title. The research field “Special Issue - Banking and Finance” should be selected during your submission.
