Journal of Service Science & Management

ISSN 1940-9893 (Print), 1940-9907 (Online)
http://www.scirp.org/journal/jssm

*Journal of Service Science & Management (JSSM)* is an international multidisciplinary journal with the emphasis laid on the service innovation in the global economy and entrepreneurship, the latest management technologies. It also explores the contributions of knowledge discovery and information management research and applications. The goal of this journal is to keep a record of the state-of-the-art research and promote the fast moving service science and management technologies.

**Editor-in-Chief**

**Prof. Samuel Mendlinger**

Boston University, USA

**Subject Coverage**

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed in hard copy. The journal publishes the highest quality, original papers included but not limited to the fields:
