Special Issue on Performance and Arts

Call for Papers

In performing arts, a performance is an act of staging or presenting a play, concert, or other form of entertainment. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments of Performance and Arts.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring Performance and Arts. Potential topics include, but are not limited to:

- Ballet
- Circus
- Concert
- Dance
- Drama
- Magic
- Mime
- Music
- Opera
- Theatre
- Entertainment
- Performing arts

Authors should read over the journal’s For Authors carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal’s Paper Submission System.

Please kindly specify the “Special Issue” under your manuscript title. The research field “Special Issue - Performance and Arts” should be selected during your submission.
