

Special Issue on
Economic Impacts and Challenges of COVID-19
Call for Papers

The coronavirus outbreak is hitting and disrupting economic production, global supply chains, financial markets and firms' economic activities. A great deal of impacts depends on the public's reaction to the disease. COVID-19 pandemic has gravely wounded the world economy with serious consequences for everyone. And effective responses should be taken.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Economic Impacts and Challenges of COVID-19**. Potential topics include, but are not limited to:

- Financial impact on firms and financial markets
- Challenges and growth for E-commerce
- COVID-19 and global economy
- Supply chain and market disruption
- COVID-19 and world trade
- Business impacts and unprecedented challenge
- Impacts on production
- Recessions and recovery strategies
- Service industry and coping
- Impacts on tourism
- Consumer behaviors
- COVID-19 and unemployment
- Economic policy and responses
- Logistics and economic activities
- Challenges and opportunities for SMEs

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Economic Impacts and Challenges of COVID-19**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	June 23rd, 2021
Publication Date	August 2021
