

## Announcement from Editorial Board

The following article has been retracted due to the investigation of complaints received against it.

Title: Strong limit on  $\Delta\alpha/\alpha$  from the analysis of Fe II absorption line multiplets

Authors: Le Duc Thong, Nguyen Thi Thu Huong

The substantial portions of the text came from Le Duc Thong's former article, "New method of searching for cos-mological time variation of the fine-structure constant", which has also been retraced by Prog. Theor. Phys. because of plagiarism.

The scientific community takes a very strong view on this matter and we treat all unethical behavior such as plagiarism seriously. This paper published in Vol.3 No.7 508-512, 2011, has been removed from this site.
