Table of Contents

Volume 10   Number 6                                     June 2020

Unilateral Hypoglossal Nerve Palsy after the Use of a Novel Supraglottic Airway Device
   B. H. Ang, R. W. L. Leong, S. Fathil, K. Quek..............................................................225

Impact of Adding Midazolam to Bupivacaine 0.5% in Regional Spinal Anesthesia on Maternal
Middle Cerebral Artery Velocimetry in Parturients with Severe Preeclampsia
   M. M. Raouf, H. K. Mikhail, M. Ameen, M. A. Alsaeid, S. Magdy......................................232

Comparative Study between General Anesthesia versus General Anesthesia Combined with
Thoracic Epidural Analgesia on Cytokine Response in Laparoscopic
Cholecystectomy Patients
   A. A. Elsayed, N. M. G. El-deen, G. H. R. Shams, A. E. A. Aly, W. S. Mohammed..................247
Open Journal of Anesthesiology is an international journal dedicated to the latest advancements in anesthesiology. The goal of this journal is to provide a platform for researchers and academics all over the world to promote, share, and discuss various new issues and developments in anesthesiology related problems. All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy.

Subject Coverage

The journal publishes original papers including but not limited to the following fields:

- Ambulatory Anesthesiology
- Anesthesia Providers
- Anesthesia Record
- Anesthetic Agents
- Anesthetic Equipment
- Anesthetic Monitoring
- Cardiac Anesthesiology
- Cardiothoracic Anesthesiology
- Clinical Anesthesiology
- Early Inhalational Anesthetics
- General Anesthesiology
- Liver Transplant Anesthesiology
- Neurosurgical Anesthesiology
- Non-pharmacological Methods
- Obstetrical Anesthesiology
- Ophthalmologic Anesthesiology
- Pain Medicine
- Pediatric Anesthesiology
- Plant Derivatives
- Regional Anesthesia
- Thoracic Anesthesiology
- Vascular Anesthesiology

We are also interested in: 1) Short reports—2 - 5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book reviews—Comments and critiques.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
