Subject Coverage

All manuscripts submitted to OJBD must be previously unpublished and may not be considered for publication elsewhere at any time during OJBD's review period. Additionally, accepted ones will immediately appear online followed by printed in hard copy. Topics to be covered by this journal include, but are not limited to:

- Anemias
- Coagulopathies
- Hematological Malignancies
- Chemotherapy
- Gene Therapy
- Hemoglobinopathies
- Radiation

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the OJBD.
