

Special Issue on Insurance and Finance

Call for Papers

Insurance is a means of protection from financial loss. It is a form of risk management, primarily used to hedge against the risk of a contingent or uncertain loss.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Insurance and Finance**. Potential topics include, but are not limited to:

- Insurance & financial services
- Insurance and economic performance
- Insurance and risk management
- Insurance in the market
- Labor and social security
- Liability insurance
- Debt and risk
- Insurance and accounting
- Financial crisis and recovering

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Insurance and Finance**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	November 26th, 2019
Publication Date	February 2020
