**Special Issue on**  
**Leadership and Organizational Management**  
**Call for Papers**

"Leadership and Organizational Management" is an academic field that focuses on the study of effective leadership behaviors and strategies, as well as the management and development of organizations. It involves the examination of leaders' roles, responsibilities, and impact on organizational performance, as well as the design, implementation, and evaluation of management systems and strategies within organizations. "Leadership and Organizational Management" is an important field that contributes to the success of organizations by enabling leaders to develop effective management strategies that promote employee engagement and organizational performance.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Leadership and Organizational Management**. Potential topics include, but are not limited to:

- Leadership theory and practice
- Organizational behavior
- Organizational structure and design
- Leadership and innovation
- Planning, leading and controlling
- Leadership and organizational strategy
- Strategic management and planning
- Decision making
- Human resource management
- Team effectiveness
- Collaborative leadership
- Organizational change and development
- Leadership in risk management

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed

---

to be specified and the research field “**Special Issue – Leadership and Organizational Management**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	January 19th, 2024
Publication Date	March 2024
