

Call For Papers

Special Issue on Critical care and Intensive Care

Intensive-care medicine or **critical-care medicine** is a branch of medicine concerned with the diagnosis and management of life threatening conditions requiring sophisticated organ support and invasive monitoring.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **critical care and Intensive Care**.

Authors should read over the journal's [Author Guidelines](#) carefully before submission, Prospective authors should submit an electronic copy of their complete manuscript through the journal [Paper Submission System](#).

Please kindly notice that the "**Special Issue**" under your manuscript title is supposed to be specified and the research field "***Special Issue-critical care and Intensive Care***" should be chosen during your submission.

According to the following timetable:

Manuscript Due	October, 15th, 2012
Publication Date	November, 2012
