Subject Coverage

All manuscripts submitted to OJO must be previously unpublished and may not be considered for publication elsewhere at any time during OJO’s review period. Additionally, accepted ones will immediately appear online followed by printed in hard copy. Topics to be covered by this journal include, but are not limited to:

- Arthritis
- Challenges and Complications of Orthopedic Surgery
- Musculoskeletal Interactions
- Orthodontics and Dentofacial Orthopedics
- Orthopedic Abnormalities and Corrective Surgery
- Orthopedic Function and Mobility
- Osteoporosis
- Techniques and Advances in Orthopedic Surgery
- Other Bone Diseases and Disorders

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the OJO.
