

Announcement from Editorial Board

The following article has been retracted due to the investigation of complaints received against it. The Editorial Board found that the same contents have been published in another journal at the same time. The scientific community takes a very strong view on this matter, and the **Open Journal of Stomatology** treats all unethical behavior such as plagiarism seriously. This paper published in **Vol.3 No.1 32-38, 2013** has been removed from this site.

Title: Elevated levels of inflammatory cytokines and high-sensitivity C-reactive protein in periodontitis patients in Kosovo: A pilot study

Authors: Zana Sllamniku-Dalipi, Hasan Mehmeti, Fatmir Dragidella, Ferit Koçani, Metush Disha, Kastriot Meqa, Luljeta Begolli, Gramos Begolli
