Publication Date: September 2018

Call for Papers

Special Issue on Depression and Anxiety

In the journal Psychology (PSYCH, ISSN Online: 2152-7199)

Detailed information about this journal: [Indexing](#), [Aims & Scope](#), [Editorial Board](#), [Author's Guidelines](#)

Depression is a state of low mood and aversion to activity that can affect a person's thoughts, behavior, feelings, and sense of well-being. **Anxiety** is an emotion characterized by an unpleasant state of inner turmoil, often accompanied by nervous behavior, such as pacing back and forth, somatic complaints, and rumination. These two moods affect human health and social behaviors in many aspects.

We sincerely welcome scholar and expert with relative academic backgrounds to submit original research paper or review paper to this special issue on **Depression and Anxiety**. Potential topics or areas include, but are not limited to:

- Mood, depressive and anxiety disorders
- Mental illness in depression
- Treatment and antidepressants
- Panic disorder and social phobia
- Personality with anxiety and depression
- Symptoms of anxiety and depression
- Cognitive behavioral therapy and psychotherapy
- Cognitive impairments and depression
- Post traumatic stress disorder
- Obsessive compulsive disorder
- Depression perceived stress
- Depression and dementia
- Sleep disorders and anxiety
- Suicide ideation
- Abuse and depression

Submission Methods:
