

Special Issue on Banking and Financial Management

Call for Papers

Banking is an industry that handles cash, credit, and other financial transactions. “Banking and financial management” focuses on the economic analysis of financial and banking issues.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Banking and Financial Management**. Potential topics include, but are not limited to

- Banking and financial markets
- Banking and financial services
- Quantitative methods for banking and finance
- Monetary policy and central banking
- Micro and macroeconomics of banking
- Banking systems
- Bank and financial modeling
- Banking and economic growth
- Financial crisis and banking regulation
- Financial innovations in banking
- Global banking
- Bank capital
- Investment banking
- Corporate & commercial banking.
- Corporate finance
- Financial statements and analysis
- Management accounting and control
- Financial stability and banking
- Loans and credits
- Portfolio management

Authors should read over the journal’s [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal’s [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Banking and Financial Management**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	August 18th, 2022
Publication Date	October 2022
